

In attendance—Meredith, Al, Geoff, Dan, Rona, Arye

1. September minutes approved—Geoff (motion), Rona (second)
2. Vote for Arye to be new Secretary of Commission—approved
3. Sustainable Jersey (November 25th):
 - a. All commit to addressing, completing, and uploading our subdivided actions.
 - b. Flood risk should be structured as plans/goals for future plans
 - i. May be nixed if we think we are unable to complete and/or justify our progress toward this action
 - c. In December meeting, setup action plan for things we need to address from Sustainable Jersey application (for next round?)
 - d. Geoff can take over Recycling Depot action from Arye
 - i. Will inquire about tonnage reports
 - a. Reusable Bag Education Program
 - i. Follow up with SJ regarding why the action was marked incomplete (Rona will call SJ)
2. Plastic Film Wrap Recycling Program
 - a. No update (John not in attendance)
 - b. Waiting for program to begin
3. New Business: LOYF Stewardship Program
 - a. Sean from Fins spoke with Mayor about our participation in program
 - b. Participation is free, only cost to town is labor (installation, cleaning)
 - i. They want to install signage and stenciling
 - c. We need to come up with a plan for Bradley (model after Manasquan's plan)
 - i. Commission will walk the boardwalk and find suitable locations for these signs (Al)
 1. E.g. wooden receptacles on boardwalk, orange lifesaving posts
 - d. Possibility of Bob Duerr coming to meeting to answer questions
 - e. Commission supports the program
4. New Business
 - a. NJ Coastal Resiliency Collaborative
 - i. Municipal level: what are the priorities, what steps do we have to go through
 - b. Maybe we need a special SLR planning commission/task force at municipal or inter-municipal level
 - c. Dan may be available to help out with incomplete SJ actions
5. Geoff moves to adjourn, Dan and Al second motion
