

BRADLEY BEACH COMMUNITY!

THE BRADLEY BEACH RECREATION WANTS TO
WELCOME YOU TO VIRTUAL FITNESS CLASSES
STARTING IN 2021!

Hello Bradley Beach Community,

My name is Kenny Walker, and I am part of our recreation program in town. I am also a Health and Physical Education Teacher at Piscataway High School. What better way to kick off 2021 than to enjoy a workout with your family, all our wonderful community members, and me? This is going to be a virtual workout due to Covid-19 (via ZOOM), and we will have a blast! Being stuck inside is not fun for anyone, so why not join our recreation department and positively affect your mental and physical health? Starting January 19th @ 6:30 PM!

- If you are interested in joining please send an email to Bradley Beach Recreation
