SIGN UP FOR EMERGENCY NOTIFICATIONS AT info@bradleybeachnj.gov

You may receive alerts about emergencies and other important community news by signing up to the Bradley Beach Emergency Alert System at www.info@bradleybeachnj.gov. You may also sign up for alerts through the Bradley Beach Police Department at any time (open 24/7). The emergency notification system enables us to provide you with critical information quickly in a variety of situations, such as severe weather, unexpected road closures, missing persons, and evacuation of buildings or neighborhoods. You will receive time-sensitive information by text message, cell phone and/or email.

- **New Year’s Day**

- **Martin Luther King Jr. Day**

- **BORO CLOSED**

- **No Trash Pick Up**

- **Free Rabies Clinic Fire House 5pm-7pm**
PARKING DURING SNOW EMERGENCIES

PHASE ONE:
All vehicles shall be moved off of the south side of the street from all streets that run east and west.
All vehicles shall be moved off of the east side of the street from all streets that run north and south.
Vehicles shall not be moved back until the streets have been plowed sufficiently and snow has stopped, to the extent that parking will not interfere with the normal flow of traffic.

PHASE TWO: All vehicles shall be moved off of the north side of all streets that run east west and off of the west side of all streets that run north and south. This is to allow for continued plowing when necessary.
For further information please refer to Ord.#9-11.1 (Temporary no parking for snow removal).

PLACING SNOW OR ICE INTO THE STREET (S) IS PROHIBITED
No person or other entity shall throw, place or deposit any snow or ice into or on any street in the Borough, and no owner, tenant or occupant shall cause or allow such throwing, placing or depositing or any snow or ice to remain in the street, being the intent and purpose of this provision to prohibit all such persons and entities from throwing, placing or depositing snow or ice which accumulated on the private property of adjoining sidewalks into the streets of the Borough.

PLEASE CLEAR FIRE HYDRANTS OF SNOW FOR EMERGENCIES

Emergency Situations:
Examples: Floods, Hurricanes, Blizzards, Etc.

Make A Plan - Know where you will meet and how you will contact family members.

Build A Kit - Have an emergency supply kit containing water, nonperishable food, battery powered radio, flashlight, extra batteries, medication and sanitary supplies.

Emergency Bulletins are broadcast on radio stations WJLK-94.3FM, WOBM-92.7FM and WRAT-95.9FM. Emergency notifications can also be received via phone and/or email by registering for Bradley Beach’s Emergency Notification System. This can be done by logging in to www.bradleybeachnj.gov and clicking on “Emergency Notification System” on the Emergency Management link. You may also go to the Bradley Beach Police Department to register.

Be Informed - Know how to receive emergency information in your community.

If you must prepare to evacuate, and time permits, you should secure your home by bringing all outdoor objects that could become projectiles indoors, turn off all utilities, move valuables to higher floors.

Never walk through standing or moving flood water.

For additional information, please log on to these helpful websites:
www.ready.gov
www.registerready.nj.gov
www.weather.gov

Be aware of alternate side of street parking rules that apply during snow fall. You can receive instructions by logging on to www.bradleybeachnj.gov or see above for Phase One and Phase Two in instructions.

If you are unsure of what you should do in the event of an emergency contact the Bradley Beach Police Department at (732) 775-6900.

Bicycle Safety

Safety Check Bicycle Equipment
Always inspect your bike prior to riding.

- The seat should be adjusted to the proper height and locked in place
  - Make certain all parts are secure and working properly
  - Check that the tires are inflated properly
- Make sure the bike is equipped with reflectors on the rear, front, pedals and spokes
- A horn or bell, a rear-view mirror and a bright headlight also are recommended

Plan to Be Seen
Make certain drivers can see you.

- Wear neon, fluorescent or other bright clothing
- Whenever possible, ride during the day
- If you must ride at night, wear reflective clothing and use bike lights for visibility

Wear a Helmet
Helmets appropriate for bicycling should be worn by everyone – adults and children – on every bike ride regardless of length of the ride.

Helmets are required in New Jersey for cyclists under age 17. More detailed guidelines for helmets can be found NHTSA.gov to properly fit a bicycle helmet: https://www.nhtsa.gov/road-safety/bicycle-safety

- Adjust sizing pads or fit ring until the helmet is snug
- Position the helmet level on your head, covering the forehead and not tilted backward or forward; this will be about one to two finger widths above the eyebrow
  - Adjust the side straps so they form a "V" shape under and slightly in front of your ears
  - Center the buckle on the chin strap under your chin
- Buckle and tighten the chin strap until it is snug; no more than one to two fingers should be able to fit between the chin and strap
  - When fitted, the helmet should not rock more than 1 inch side to side or front to back on your head

Follow the Rules of the Road
Stay safe by following the rules:

- Get acquainted with traffic laws; bicyclists must follow the same rules as motorists
  - Ride single-file in the direction of traffic
- Remain alert, keep your head up and look around; watch for opening car doors and other hazards
  - Use hand signals when turning and use extra care at intersections
  - Before entering traffic, stop and look left, right, left again and over your shoulder

Please remember to always lock up your bicycles when unattended. Thank you.

LEAVES, BRUSH & YARD WASTE

Pick-up:

ALL ITEMS MUST BE PLACED AT THE CURB IN SEPARATE PILES. All brush and yard waste shall be placed at curb side by 5:00 am of the day designated for collection. No brush or yard waste shall be placed at the curb side more than 72 hours prior to any scheduled collection.

The Public Works Department starts picking up on the designated Monday and it may take a few days to complete the town. If the Monday falls on a holiday pick-up will be the next working day.

Brush and Shrubs, not more than eight inches in diameter and not in excess of 10 feet in length, may be placed between the curb and sidewalk for collection by the Borough only on days specified for brush collection. All brush placed at any curb must have originated at the property adjacent to the curb at which same is placed for collection.

Brush will be collected on the second and fourth Monday in April and the second Monday in March, May, June, September, October and November. The Superintendent of Public Works may add additional brush pick-ups throughout the year, on an as needed basis, please refer to the Borough website at www.bradleybeachnj.gov for updates. The Public Works Department will collect brush as a result of a severe storms though out the year. Yard Waste will be collected on the brush collection dates.

Yard waste materials to be collected by the Borough of Bradley Beach shall be drained of all liquid and then placed at curb side in an authorized yard waste container ONLY. No yard waste loose at the curb will be collected and a summons will be issued for failure to comply.

Leaves may be placed loose or in biodegradable leaf bags at curb side from April 1 through May 31 and from September 15 through December 1st. Leaves shall not be closer than 10 feet to drain inlet. Leaves may be placed for collection only in authorized biodegradable leaf bags.

ALL ITEMS MUST BE PLACED AT THE CURB IN SEPARATE PILES. Please do not combine leaves, dirt or grass clippings with brush or yard waste.

Definitions:
Authorized Yard Waste Container: Trash or garbage container with approved label and drain holes to allow the water to drain. The container shall not exceed 50 lbs. with contents.

Bradley Beach residents may dispose of brush, shrubs, leaves and yard waste at the Trash/Recycling Lot, 1011 Main Street, Bradley Beach (proof of residency required) Please refer to the Borough website at www.bradleybeachnj.gov for days and hours of operation.

GRASS CLIPPINGS WILL NOT be collected by the Borough and SHALL NOT be placed at the curb at any time. The Borough encourages you to participate in the Grass – Cut it and Leave it Program. By doing this you will:

• Save time – You don’t have to empty your mower’s bag, no raking, no bagging, and no taking clippings to the street.
• Use less water – lawn clippings contain water and leaving those clippings on the lawn retains moisture, therefore you water less, or not at all.
• Use less fertilizer – lawn clippings contain nutrients. Leaving them on the lawn fertilizes your lawn, therefore you use less fertilizer or none at all.

We advise that you mow High! 2.5” – 3.5” is ideal for NJ. It saves moisture and shades out weeds.
### Meetings

- **8/1** Environmental Commission
  - 7pm Biase Center
- **8/3** Shade Tree Commission
  - 7pm Biase Center
- **8/8** Historical Society
  - 7pm Biase Center
- **8/11** Fletcher Lake Commission
  - Meeting 7pm Boro Hall
- **8/17** Shade Tree Commission

  - Property Tax & Sewer Utility Due
  - Alliance Week Starts

- **7**
  - **RAIN DATE**
  - BBBCA Celebration Saturday 1pm-4pm

- **14**
  - **Pirate Day**

- **21**
  - **Pirate Day**
FIRE ESCAPE PLAN

Draw a map of your home. Show all doors and windows. Visit each room.
Find two ways out.

All windows and doors should open easily. You should be able to use them to get outside.
Make sure your home has smoke alarms.
Push the test button to make sure each alarm is working.
Pick a meeting place outside. It should be in front of your home. Everyone will meet at the meeting place.
Make sure your house or building number can be seen from the street.
Talk about your plan with everyone in your home.
Learn the emergency phone number for your fire department. Practice your home fire escape drill twice a year!

SMOKE and CARBON MONOXIDE DETECTOR SAFETY
WHAT TYPE DO I NEED?
There are three types of smoke detectors PHOTO ELECTRIC, IONIZATION and DUAL SENSOR. Each alarm will respond differently depending on the nature of the fire. The Consumer Product Safety Commission and the US Fire Administration recommend the DUAL SENSOR for optimal response.

- There should be a minimum of one smoke detector on each floor outside the bedrooms
- Carbon Monoxide detector shall be installed within 10 feet of each bedroom
- The most important thing after you purchase and install your smoke alarms is to maintain them.
- A non-working alarm is as effective as not having an alarm.
- Change your batteries at the annual time changes or whenever it “chirps” a low battery signal.
- Press the test button every so often to make sure it is working.
- Replace device every (10) years from the manufacturer date.

Carbon Monoxide FACTS:
Carbon Monoxide is a toxic gas which can kill you even before you are aware it is in your home or apartment. At low levels it can mimic flu symptoms, including nausea and fatigue, headaches and dizziness. The effects are different based upon your general health, age and level of exposure.
Carbon Monoxide has many sources: gas fired appliances, wood burning stoves, fireplaces and your garaged motor vehicle. People do die, and hundreds are injured every year, due to carbon monoxide poisoning. Please be careful.

BBQ SAFETY

NEVER use a grill on a balcony.
As part of annual maintenance check grill for faulty valves and rust. Replace worn parts. Always store cylinders outside, in the upright position and NEVER store cylinders inside.
After fill up or exchange bring propane tanks home, valve closed and capped in a ventilated vehicle.
NEVER store, use or transport near high temperature. On refills/exchanges have supplier check cylinder for damage, rust, dents or leaks. Keep the grill at least five feet from a combustible wall or fence.

STAY SAFE THIS SUMMER, FOLLOW THESE SAFETY HINTS Bon Appetit!

CERTIFICATE OF OCCUPANCY

No person shall occupy, rent, lease, sell, transfer title or permit the occupancy, letting or sale, or allow any person to live in or upon or inhabit as a tenant or occupant or to occupy as any new owner or co-tenant or co-owner any dwelling house or dwelling unit or any portion of a premises occupied for a separate and distinct commercial use within the confines of the Borough unless such person first obtains from the Code Enforcement Officer of the Borough a Certificate of Occupancy and permit authorizing any of the foregoing and when any of the foregoing shall take place.

The certificate of occupancy for residential rental units shall be for a term of three years or until the change of ownership of the property or a change in the tenant of the property, whichever event is sooner.

FLOOD INFORMATION

Anywhere it rains, it can flood. A flood is a general and temporary condition where two or more acres of normally dry land or two or more properties are inundated by water or mud flow. Many conditions can result in a flood: hurricanes, overtopped levees, outdated or clogged drainage systems and rapid accumulation of rainfall. Just because you haven’t experienced a flood in the past, doesn’t mean you won’t in the future. Flood risk is not just based on history, it’s also based on several factors: rainfall, river-flow, tidal-surge data, topography, flood-control measures, and changes due to building and development.

Flood-hazard maps have been created by the federal government to show different degrees of risk for your community, which help determine the cost of flood insurance. The lower the degree of risk, the lower the flood insurance premium. Homeowners Insurance does not provide coverage for floods. A separate policy must be obtained. The federal government offers such policies. See below.

HOW CAN I TELL IF MY HOME IS IN THE FLOOD ZONE?

The Borough of Bradley Beach is mainly not in the flood zone. Small sections of land near Sylvan Lake and Fletcher Lake are in the flood zone. To determine your zone, you can contact Borough Hall, or go to the Borough website www.bradleybeachnj.gov and click the link to FEMA or onto the website www.fema.gov and click on maps, then flood map online and enter address.

IF FLOOD INSURANCE IS NEEDED, PLEASE SEE THE BELOW INFORMATION:

The National Flood Insurance Program (NFIP) is administered by the Federal Emergency Management Agency (FEMA), which works closely with nearly 90 private insurance companies to offer flood insurance to property owners and renters. In order to qualify for flood insurance, a community must join the NFIP and agree to enforce sound floodplain management standards. The Borough of Bradley Beach is a NFIP member. The NFIP, a federal program, offers flood insurance, which can be purchased through property and casualty insurance agents. Rates are set and do not differ from company to company or agent to agent. These rates depend on many factors, which include the date and type of construction of your home, along with your buildings level of risk.

DRIVING FLOOD FACTS: The following are important points to remember when driving in flood conditions:

- Six inches of water will reach the bottom of most passenger cars causing loss of control and possible stalling.
- A foot of water will float many vehicles.
- Two feet of rushing water can carry away most vehicles including sport utility vehicles (SUV’s) and pick-ups.

AFTER A FLOOD: The following are guidelines for the period following a flood:

- Listen for news reports to learn whether the community’s water supply is safe to drink.
- Avoid floodwaters; water may be contaminated by oil, gasoline, or raw sewage. Water may also be electrically charged from underground or downed lines.
- Be aware of areas where floodwaters have receded. Roads may have weakened and could collapse under the weight of a car.
- Stay away from downed power lines, and report them to the power company.
- Return home only when authorities indicate it is safe.
- Use extreme caution when entering buildings; there may be hidden damage, particularly in foundations.
- Service damaged septic tanks, cesspools, pits, and leaching systems as soon as possible. Damaged sewage systems are serious health hazards.
- Clean and disinfect everything that got wet. Mud left from floodwater can contain sewage and chemicals.

286-34 BULK STICKER FEES FOR COLLECTION OF BULK GOODS

The following schedule of the number of fee stickers required for each bulk item is based on four fee stickers for 25 pounds of weight. The weight of items used in this schedule are estimated weights formulated by the Department of Public Works. If any item not on this schedule is being placed for collection, the person placing the item should estimate the total weight to the item (in pounds) and divide the figure by 25 to arrive at the number of fee stickers required for that item. Any person unable to estimate the weight of any item may call the Department of Public Works for an estimate.

Below is a list of the most common items placed at curbside for disposal. NOTE: Items weighing less than 25 pounds require four stickers, provided that items weighing more than 25 pounds may be combined and placed together in a bag as long as the bag does not weigh more than 25 pounds. Four stickers must then be placed on the outside of the bag.

*Minimum of 4 bulk stickers/additional based on weight*
TRASH COLLECTION ZONES

ZONE 1 MONDAY & THURSDAY
Lake Terrace to LaReine Avenue
Borough

ZONE 2 TUESDAY & FRIDAY
Brinley Avenue to Bradley Blvd.

ZONE 3 MONDAY & FRIDAY
Main Street & all 700 Blocks throughout the

Covered trash containers must be placed curbside no later than 5:00 am the day of collection and no earlier than 12 hours before pick-up. Empty trash containers must be removed from curbside within 12 hours of collection. Trash will NOT be picked up on Thanksgiving, Christmas or New Year’s Day, please place trash curbside for collection on the next regularly scheduled day. Trash collection MAY be suspended during a Severe Storm or a State of Emergency. Trash collection will resume on the next regular day of collection.
SINGLE STREAM RECYCLABLES are to be placed into covered sturdy re-useable container not to exceed 38 gallons with holes in the bottom and placed curbside by 5:00 am the day of collection. ALL cans, bottles and plastics should be washed to control bugs and odors. Please do not put plastic bags in with single stream recycling. Plastic Film recycling is to be put in a separate container and is picked up on the following dates: February 9th, April 13th, June 8th, August 10th, October 12th, and December 14th.

SINGLE STREAM RECYCLABLES INCLUDE: GLASS BOTTLES AND JARS, CEREAL AND SNACK BOXES, CARDBOARD, OFFICE PAPER, NEWSPAPER, MAGAZINES, TIN, ALUMINUM AND STEEL CANS, PLASTIC BOTTLES, RIGID PLASTICS.

PLASTIC & GLASS CONTAINERS: Labelled number 1 PET bottles, Labelled number 2 HDPE bottles (detergent type bottles), Labelled number 5 PP containers such as: Margarine tubs, Baby wipe containers, Yogurt cups, Empty K-cup® pods.

METAL CAN: Aluminum cans, tin cans, bi-metal cans, Nonhazardous aerosol cans, Clean aluminum foil.

PAPER & CARDBOARD: Cardboard shipping boxes, Mixed paper including: Chipboard (cereal boxes), White and colored paper, Junk mail, Magazines, Soft-cover books, Newspaper (including inserts). Corrugated cardboard boxes (un-waxed) may be collapsed, folded and tied securely in bundles, maximum size of 2' X 2' or placed with single stream recyclables in containers. Mixed paper may be tied in bundles or placed with single stream recyclables in a container.

ITEMS NOT ACCEPTED: Motor oil containers, mirrors, bulbs, dishware, ceramics, glassware, window glass, LDPE, plastic wrap, bubble wrap, shredded paper, plastic bags, propane tanks, batteries of any kind, Styrofoam, cartons, food of any kind, food wrappers or used paper plates, napkins or paper towels, medical waste or needles, broken bottles or any other type of broken glass.

For more detailed information, please visit: https://www.mazzarecycling.com/recyclingdosanddonts

COMPUTER, ELECTRONIC AND METAL: require an appointment for curbside pick-up. Contact borough hall at 732-776-2999 ext. 1010 to schedule a Curbside Pick-up, Bulk Stickers are required. Items Accepted: computer cases, CPU’s, keyboards, mice, monitors, scanners, printers, cables, laptops, peripherals, television, radios, telephones, cameras, stereo components, VCR’s and DVD players. Bradley Beach residents may bring (Bulk Stickers Required) the above listed items to the Trash/Recycling Lot, 1011 Main Street, and Bradley Beach. (Proof of residency required). Please refer to the Borough website www.bradleybeachnj.gov for days and hours of operation.

HAZARDOUS WASTE: Paints, pesticides, fertilizers, motor oil, cooking oil, antifreeze, propane tanks, fire extinguishers, fluorescent tube light bulbs, car batteries and button batteries, gasoline and herbicides can be brought to the Monmouth County Hazardous Waste Facility at 3211 Shafto Road, Tinton Falls, New Jersey. For an appointment, please call 732-683-8686 ext. 5210. For more detailed information, please visit: https://www.co.monmouth.nj.us

BULK ITEMS

Bulk stickers are required for bulk items that are not considered regular household garbage. Bulk stickers may be purchased at Borough Hall. Bulk trash with stickers shall only be placed at the curb 12 hours before regulated pickup days and no later than 5:00 am the day of collection.
RECYCLING COLLECTION - STARTING FEBRUARY 8TH
COLLECTION WILL BE EVERY OTHER WEDNESDAY
Starting with Zone 1. Main St Business District is every Wednesday.

Recycling will now be easier! You will throw all your recyclables into one covered container (12-38 gallon in size) for curb-side collection. Recycled items are cleaned, processed and re-purposed as new products and by participating you will help save the planet as well as save thousands in landfill fees. Ordinance 286-21 (Separation of Recyclable Materials) will be strictly enforced, failure to comply will result in a summons.

All single stream recyclables must be placed loose in the appropriate covered container and NO plastic bags. Plastic Film recycling must be collected in a separate container. Items that are not recyclable must be placed with regular trash. Below is a list of accepted and not accepted items for recycling:

**Examples of Accepted Items:**
- Newspaper, office paper
- Junk mail, envelopes
- Magazines
- Flat corrugated cardboard
- Cereal Boxes
- Glass Bottles and Jars

**Examples of Not Accepted Items:**
- Food, coffee grounds, etc.
- Plastic bags, plastic wrap (Recycle separately from single stream)
- Shopping bags of any kind
- Wax-covered boxes
- Window Glass
- Ceramic Dishes
- Holiday Lights
- Diapers

Bradley Beach residents may dispose of Recyclable Materials at the Department of Public Works, Trash/Recycling Lot, 1011 Main Street, Bradley Beach, New Jersey. (Proof of residence required). Please refer to the Borough website www.bradleybeachnj.gov for days and hours of operations.

**PLASTIC FILM PICK UP**

Bradley Beach has launched New Jersey’s first pilot program for residential curbside recycling of plastic film. The goal of the program is to reduce our community’s plastic waste by expanding access to recycling options for these materials. **Here is how Bradley Beach residents can participate:**

The Borough will provide each household with a “plastic film” recycling bin. Residents can place clean and dry plastic film materials including grocery bags, plastic storage bags such as Ziploc®, dry-cleaning bags, etc. and other plastic film into the container and it will be picked up. Should a resident miss putting the plastic film out on the designated day, it can be brought to the Recycle/Trash Yard located at 1011 Main St in Bradley Beach on days of operation.

Proof of residency is required. For more detailed information on plastic film recycling, please visit: https://www.plasticfilmrecycling.org

**PICK UP DATES**

February 9th, April 13th, June 8th, August 10th, October 12th, and December 14th
