

Hello Residents!

A few quick messages before we start a long holiday weekend-

Mayors Wellness Walk- a combination of the newly formed Mayors Wellness Committee and our outstanding residents had our first community event- The Mayors Wellness walk this past Sunday. About 100 of our residents and visitors participated; and it was a rousing success. Thanks to all that worked to put the event on and those who joined us!! More to come at our “Winter Walk”!

Thanksgiving holds a lot for all of us to be thankful for in 2021. My brief list of things to be thankful for includes:

- **Moving carefully through this awful Pandemic and seeing multiple vaccines become available and getting back to some “normalcy”.**
- **Having a capable and hard-working municipal team that helped us have a successful beach season and overall 2021!**
- **Being welcomed by that Municipal Team and many residents to this new role I have assumed.**
- **Living in a town that has such a capability for improvement and generosity.**
- **Having a great wife, family, friends, and neighbors. A special “shout out” to Declan- our sixth grandchild- here at 2 months**

I hope everyone in our Community has a Happy and Safe Thanksgiving!!

Best- *Mayor Larry Fox*
