

BBEC Meeting Minutes 1/7/2019

In attendance: G. Curtiss, A. Wheeler, R. Parker, J. Weber, M. DeMarco, C. Jensen

Guests: A. Gubitosi, Mike from the Coast Star

Motion to approve December meeting minutes pending corrections by M. DeMarco. Seconded by R. Parker. All approve – unanimous

CWRP Discussion – BBEC members questioned the timeline for signage, the proper procedure for reviewing language, plans for spring presser with possible Arbor Day tie-in depending on sign development.

Plastic Bag Ban – Great coverage by News12. Members will try to revisit stores to see how the ban is going. The goal is to have this complete between January 19th and 26th. BBEC will continue to remind residents that the local food bank needs gently used reusable bags.

Recycling School Assembly – February 14th is the date for the program, which will be held in conjunction with Jenkinson's. A. Wheeler is to try and find out what Jenkinson's is presenting on so BBEC can better coordinate our presentation.

Composting Workshop – Promote on facebook (A. Wheeler to make event page, M. DeMarco to share) and email (C. Jensen). BBEC members learned about the composting project completed at the BB Elementary School.

Recycling Coach – No update. A. Wheeler will follow up with Kelly.

Beautiful Bradley Campaign – J. Weber to distribute ordinance. A. Wheeler will follow up with the Mayor. A more robust campaign was discussed.
