Borough of Bradley Beach
701 Main Street
Bradley Beach, NJ 07720

Attn: Kimberly Humphrey, QPA – Borough Administrator

**Re: Utility Pole Map & Spreadsheet
Utility Pole Inventory
Borough of Bradley Beach, Monmouth County, New Jersey
Our File: HBB00502.01**

Dear Ms. Humphrey:

As per your request, our office has conducted a review of the existing utility poles located within the Borough right-of-way. It is our understanding that there have been complaints received from residents regarding utility poles that are leaning, sagging lines, hanging wires, etc. It is also our understanding that there have been several requests from Borough officials as well as residents that utility lines be moved underground in order to beautify the Borough and to limit the number of utility disruptions due to weather. Below is a list of some of the issues that were observed by our office:

- Cracks/chips in pole
- Holes/splintered poles
- Residue on pole
- Leaning poles
- Animal nests located on utility poles
- Poles affecting brick paver sidewalks
- Conflicts with trees
- Wires hanging down/exposed

Our office has reached out to local utility companies (Verizon, JCP&L, Cablevision) to obtain documentation of any as-builts and mapping in order to prepare a detailed Borough Utility Map. We have prepared said map identifying each utility pole location with its corresponding number. Any deficiencies listed above have been identified for each utility pole and listed in the attached spreadsheet.

Please review the attached map and spreadsheet and feel free to share this information with the applicable utility companies for their records and use in future upgrade projects.

Borough of Bradley Beach
