 - Fall 2022
 - Applications in Tax Bill
8. Tree of the Month
 - August
9. Tree Inventory Update
 - **Purchase Order Out \$12,500**
 - **Liz Grant**

Here is the size of leaf coverage in Bradley Beach at 67.3 acres, With a total of 403 acres of land in BB, leaf coverage is low at 16.7%. I think you should be looking to increase canopy by 100% if that can be done when discounting Ocean Avenue and much of the first block due to view obstructions and salt spray impacts.- American Forests recommends a canopy coverage of around 40% but that number should not be taken as gospel in a beach community.

- REMINDER DO NOT PLANT ON FIRST BLOCK AND OCEAN AVE.
- 1. Street trees that need removal- Red Flags
- 2. Street trees that need pruning- Orange Flags
- 3. Sidewalk issues related to trees
- 4. Park trees that need removal
- 5. Park trees that are dying
- 6. Areas from the 200 block inwards that need street trees (with planting strip widths 30' or more?)
