

## **Bradley Beach Junior Guards 2023**

Dear Junior Guard:

Enclosed is a registration form for the Bradley Beach Junior Guard Training Program. The goals of this program is to promote water and beach safety, working together as a team, encouraging good health and fitness, developing a respect for the beach and ocean, training for future lifeguarding, and to have fun.

Last year was very successful for our program at Bradley Beach with a record number of Jr. Guards signed up, but more tournament participation(not mandatory) would definitely be a positive step for Bradley Beach. Tournaments are scheduled for this year and the registration process will be streamlined and done online. It will be \$30 for preregistrations and \$40 for registrations on the tournament day. The dates are as follows: 7/13 Spring Lake, 7/18 Long Branch, 7/20 Belmar, 7/25 Regionals and Ocean Grove, 7/27 Manasquan. This summer the fee for registration is being increased to \$100.00. This will cover coach's wages, tee shirts and replace equipment, along with our annual end of year Junior Guard get together. The fee to register for Junior Guard Tournaments is not part of the registration fee. Once the link for tournament registrations is set up, the information will be emailed to all Jr. Guards.

The program, for children ages 7-17, will begin on TUESDAY June 27th at 9:30am at the 2nd avenue beach lifeguard stand and end Thursday August 4th. The program will run every TUESDAY, WEDNESDAY AND THURSDAY, for approximately 1–1.5 hours daily. Please fill out the enclosed form with a check for \$100.00 made out to the BRADLEY BEACH JUNIOR GUARD PROGRAM to the following address. WE NEED FORMS SENT BACK BY JUNE 15TH IN ORDER TO RECEIVE A TEE-SHIRT. ANY FORMS RECEIVED AFTER THAT DATE AND YOUR CHILD WILL NOT GET A SHIRT AND THE REGISTRATION FEE WILL BE \$90.00 I have a new email address this year more closely connected with the town, so please send questions to the following email address.
