2023 CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

OF MUNICIPALITY NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM

The Capital Improvement Program presented herewith is an estimated projection of Capital Projects for the next three years. It should be noted that the foregoing does not represent an appropriation of funds for the purposes listed, but merely a plan of capital improvements that are being contemplated in 2023 and the ensuing two years. A funding authorization is required in the form of a budget appropriation or capital ordinance before monies are available for the projects outlined in this section.

Every effort has and will be made by the Mayor and Borough Council to plan improvements which are responsive to the needs of the community. Should unantcipated needs arise, the capital program will be revised or amended accordingly.
