§ 286-34 Bulk sticker fees for collection of bulk goods.

- A. The Borough of Bradley Beach shall arrange for the collection of certain bulk items. The fee for each sticker shall be set by resolution of the Council and must be purchased from the Borough Clerk.
- B. The following schedule of the number of fee stickers required for each bulk item is based on four fee stickers for 25 pounds of weight. The weight of items used in this schedule are estimated weights formulated by the Department of Public Works. If any item not on this schedule is being placed for collection, the person placing the item should estimate the total weight to the item (in pounds) and divide that figure by 25 to arrive at the number of fee stickers required for that item.
