

## Bradley Beach Junior Guards 2026

Dear Junior Guard:

Registration for the Jr. Guard program will now be on Community Pass. The goals of this program is to promote water and beach safety, working together as a team, encouraging good health and fitness, developing a respect for the beach and ocean, training for future lifeguarding, and to have fun.

Junior lifeguard tournaments are not mandatory, but there will be no practice on the dates of tournaments. The Tournament schedule for this year is still being finalized for dates, but the registration process will be streamlined and done online like last year. It will be around \$30 for preregistrations and \$40 for registrations on the tournament day. The tournaments will be held on:

Spring Lake- 7/7

Long Branch- 7/9

Ocean Grove Mini- 7/14 (ages 6-13 only)

Belmar- 7/16

USLA Mid-Atlantic Regionals (Sea Girt)- 7/21

Manasquan- 7/23

This summer the fee for registration will again be \$100.00. This will cover coach's wages, tee shirts and replacement equipment, along with our annual end of year Junior Guard Awards/Pizza party. The fee to register for Junior Guard Tournaments is not part of the registration fee. Once the link for tournament registrations is set up, the information will be emailed to all Jr. Guards.

The program, for children ages 7-17, will begin on TUESDAY June 23th at 9:30am at the 2nd avenue beach lifeguard stand and end Thursday August 6th. The program will run every TUESDAY, WEDNESDAY AND THURSDAY, for approximately 1–1.5 hours daily.

Here is the registration link for Community Pass:
