BOROUGH OF BRADLEY BEACH

RESOLUTION 2025-264

AMENDING RESOLUTION 2025-209 REQUESTING THE NEW JERSEY DEPARTMENT OF TRANSPORTATION (NJDOT) TO REDUCE THE SPEED LIMIT ON STATE ROUTE 71 (MAIN STREET) FROM 30 MPH TO 25 MPH

WHEREAS, Main Street (State Route 71) in Bradley Beach is a heavily trafficked, mixed-use corridor frequented by pedestrians, cyclists, families, and visitors, many of whom cross the street at designated and undesignated locations; and

WHEREAS, the absence of dedicated bike lanes and the increasing presence of low-speed vehicles, such as neighborhood electric vehicles and golf carts, necessitate a safer, more accommodating traffic environment; and

WHEREAS, numerous intersections and crosswalks along Main Street suffer from limited visibility due to poor sight triangles, posing significant hazards to both drivers and pedestrians; and

WHEREAS, studies indicate that reducing vehicle speeds from 30 mph to 25 mph can significantly decrease the likelihood and severity of traffic accidents, particularly benefiting vulnerable road users; and

WHEREAS, lower speed limits contribute to improved air quality and reduced noise pollution, enhancing the overall health and well-being of the community; and

WHEREAS, slower traffic speeds encourage walking and cycling, promoting active transportation and contributing to public health; and

WHEREAS, adjacent municipalities, including Avon-by-the-Sea and Neptune Township, have expressed interest in implementing similar speed limit reductions on their portions of State Route 71, aiming for consistency and improved safety across the region; and

WHEREAS, a 25 MPH speed limit for Route 71 through Avon-by-the-Sea, Bradley Beach, and Neptune Township would complete a “25 MPH corridor” between Belmar and Asbury Park, both of which currently utilize a 25 MPH speed limit; and

WHEREAS, the Chief of Police of Bradley Beach has reviewed the proposed speed limit reduction and supports it as a necessary measure to enhance public safety on Main Street.

NOW, THEREFORE, BE IT RESOLVED, by the Mayor and Council of the Borough of Bradley Beach, County of Monmouth, State of New Jersey, that:

1. The Borough formally requests that the New Jersey Department of Transportation reduce the speed limit on State Route 71 (Main Street) within the boundaries of Bradley Beach from Thirty (30) to Twenty-Five (25) miles per hour.
2. A certified copy of this resolution shall be forwarded to the New Jersey Department of Transportation, as well as to the governing bodies of Avon-by-the-Sea and Neptune Township, to encourage regional collaboration on this safety initiative.

3. Speed Limit along Route 71 Borough of Bradley Beach for both directions of traffic:

- A) 25 MPH from the Avon-by-the-Sea Borough – Bradley Beach Borough corporate line to the Bradley Beach Borough – Neptune Township corporate line (approximate mileposts 6.63 to 7.48).**

Repealer Clause:

The Borough of Bradley Beach concurs that any approved traffic regulations in conflict with or inconsistent with the provisions of this resolution be rescinded upon approval of the Traffic Regulation Order (TRO).

Seconded by Councilperson DeNoble and adopted on roll call by the following vote:
